

CONTENTS

4 Preface

Topical

➤ Friends for life

5 Life cycle benefit – clear customer focus with strong benefit

7 ➤ Separator's News

Separator's World

➤ Milestones

12 History of the centrifuge The 1970's – innovations from A to Z

➤ Food Tec

14 HyVOL® and HyDRY® New machine generation satisfies all requirements

18 Formula "E" New royal class for dairy separators

20 All in butter Market-oriented performance classes in the upper and lower segments

22 Europe also relies on sustainable fuels CD-process assures high bio-diesel quality

➤ Industry

24 Major starch projects around the globe Strong basis also for fermentation products

26 Cleaner driving ETBE – Fuel additive from sustainable raw materials

30 Two at one blow The direct extraction decanter

33 Aromatic Number 1 in the production of nitroaromatics

36 The magic eye Westfalia Separator further expands teleservice

➤ Mineraloil Systems

40 Nils Holgerson's interesting travels TT-Line: The world's most modern ferry fleet uses Westfalia Separator

► **Engineering**

44 Integration of process modules in clean room technology

Advantages provided by compact modular design

► **Service**

46 Separating the wheat from the chaff in service

Customer benefit is becoming the driving force behind all service activities

Lifestyle

► **Hobby astronaut**

48 The dream of floating

Completely weightless in the universe and now

► **Guest comment**

50 The future as an interplay of colour

Nobody knows what the future will bring – the trends are however clear
